Details of proposed alterations or amendments

Attachments

This application must:

1. be accompanied by a site plan (in duplicate and to scale) of the premises showing the relative positions on the premises of all existing and proposed boundaries, roadways, pumps, drum depots, tank depots, protected works and other buildings; and
2. give details of how the flammable and combustible liquids are to be stored (including a description of the tank, drums or other packages to be used for storage and details about whether the tanks are, or are to be, above ground or underground); and
3. for the proposed amendments – be accompanied by drawings (in duplicate and to scale) showing the layout of the proposed pipelines; and
4. for an application involving a tank built under an Australian Standard providing for the issue of a certificate about the tank – be accompanied by certificate; and
5. give other details, and be accompanied by other documents, relevant to the application that the local government may, by written notice, reasonably require.

Lodgement:

On completion of this application, please forward it, the required supporting documentation, and your amendment fee to Council at the address on the front of this form.

Please note: This application MUST be lodged with the Council.
